

## **Tile Building Workshop**

The Carolina Clay Guild is proud to announce a tile building workshop with Drew Kraus and Linda Dixon, owners of LDDK Pottery Gallery, Seagrove, NC.

This is a special opportunity. Linda and Drew have not taught clay workshops in several years – and we are fortunate to have this great opportunity.

Experts on architectural terracotta, Linda and Drew have worked in a

partnership creating clay installations in airports, zoos, libraries, hospital, historic buildings and private residences. They are bringing hundreds of pounds of clay to the workshop – what a great chance to learn from the best in the business!
